

Specification Sheet

Part Number: 110-05105

Eight interchangeable nosepieces remove multiple sizes of plastic ties including KR-Series for application versatility.

Flexible use - tie can be cut off at any part of the strap or the cable tie head.

Protects cable isolation from being damaged, saving time and cost of rework.

Lightweight and ergonomic design for reduced hand strain.

Recessed cutting blade is safer for operators than knives and side cutters.

EVO Cut Cable Tie Cutting Hand Tool, Blue, 1/pkg

Article Number 110-05105

Type EVO_cut

Color Blue (BU)

Quantity Per box

Product Description The EVO Cut safely removes cable ties from bundles without risk of cutting wires or wiring insulation. It is a safer alternative to general-purpose wire cutters. The notched nosepiece centers the tool on the cable tie strap or head and ensures only the cable tie is cut. This ergonomic, lightweight tool is easy to operate with one hand.
