

(3D)PRINTER

Melexis products play an important role in digital printing technologies.
Discover which of our products can be used in printers.

□ **Hall switch**
MLX90248 & MLX92212
Lid open/close detection

□ **Contactless temperature sensor**
MLX90614 or MLX90632
Thermal camera FIR array
MLX90640
Toner drum temperature

□ **Fan driver**
MLX90411 & US91A
Fan control

Hall current sensor
MLX91210
Current monitoring

□ **Fan driver**
MLX90411
NFC cartridge recognition

□ **Hall switch**
MLX90248 & MLX92212
Paper loaded detection
