CBA V Pro 100V

Sku# 58250-1854

MSRP: \$229.95

Dealer: \$174.76

The CBA IV has been discontinued and being replaced with the improved CBA V. The following are some improvements made:

- Improved cooling system allowing higher continuous loads for testing
- New remote voltage sensing for higher testing accuracy (Remote Sensing Cable included with Pro models)
- Fuse blown LED and easy to change fuses
- More detailed LED status indication
- Extended voltage range and discharge rate
