

# SBS<sup>®</sup>X-75A

## Sealed Connector

Dust - Water - Shock

Male Plug

Female Receptacle

Panel Mount Receptacle

Panel Mount Plug

**In today's environments where high power, signaling and waterproof protection are required, Anderson Power Products<sup>®</sup> has you protected.**

Built on the success and proven reliability of the SBS<sup>®</sup> Series for both lead acid and lithium-ion battery technology, the **NEW** SBS<sup>®</sup>X-75A Sealed Waterproof Connector Series comes with two power contacts rated up to 135A, accepting wire sizes from 12 to 4 AWG (2.5 to 25mm<sup>2</sup>) along with up to 4 auxiliaries for 24 to 14 AWG (0.50 to 1.5mm<sup>2</sup>) wire sizes, and the durability of up to 5,000 mating cycles. Product is rated for IP 68 ingress protection certification in the mated condition, or with the use of covers in the unmated condition. Positive metal latches help safeguard against accidental disconnects that may be caused by vibration, while built in cable clamp allows for strain relief on wires.

### FEATURES

- 2 Power & up to 4 Signals
- Rated for IP 68 Ingress Protection
- Positive Latching to Secure Connection for Vibration Applications
- Operating Temperatures -20°C to 105°C
- 5,000 Mating Cycles

### TARGET MARKETS

- Industrial/Commercial
- Power Equipment
- Material Handling/Automation
- Agricultural/Construction
- Lawn/Garden Equipment
- Marine
